description:

Sale of urban plot and farmhouse in Las Huevanillas de Arboleas. It is a 400 m² urban plot of land with a farmhouse inside to rebuild. There is a project to build a house with two bedrooms, 2 bathrooms, living room, kitchen and terrace. The land is urban and therefore suitable for the totally legal construction of the house to be built. It has water and electricity in the farm itself. It has wonderful views of the mountains and the valley. If you are looking for a plot of urban land to build the house you have always dreamed of, this may be yours. It can also be a very good option to install a mobile home or a caravan.
